

Briggs & Stratton Engines

4 Cycle Horizontal Shaft Engines

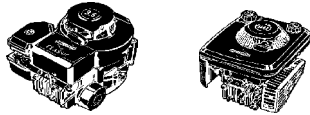

3 HP #91202-1005

- Replaces 80302-4015
- Aluminum alloy bore, cooler operation
- Dependable aluminum alloy Pulsa-Jet carburetor
- Maintenance free Magnetron electronic ignition
- Compression release for smooth, quick starting
- High capacity automotive-type pleated paper air filter provides superior protection for long engine life
- 29 lbs. **\$259.95 / Ea**

5 HP #135202-1015

- Replaces 130202-4015
- Aluminum alloy bore, cooler operation
- Dependable aluminum alloy Pulsa-Jet carburetor
- Maintenance free Magnetron electronic ignition
- Compression release for smooth, quick starting
- High capacity automotive-type pleated paper air filter provides superior protection for long engine life
- 35 lbs. **\$316.50 / Ea**

4 Cycle Vertical Shaft Engines

3 1/2 HP #98902-1615

- Replaces 92902-5015, 96902-7015
- Aluminum alloy bore, cooler operation
- Pulsa-Jet carburetor with all-temperature choke for easier starting under changing temperatures
- Maintenance free Magnetron electronic ignition
- Compression release for smooth, quick starting
- Aluminized lo-tone muffler for longer life and quiet operation
- Industry leader for walk-behind mowers
- 26 lbs. **\$194.25 / Ea**

5 HP #135232-1036

- Replaces 130902-1015
- Aluminum alloy bore, cooler operation
- Dependable aluminum alloy Pulsa-Jet carburetor
- Maintenance free Magnetron electronic ignition
- Compression release for smooth, quick starting
- Aluminized muffler for longer life
- 34 lbs. **\$325.25 / Ea**

Note: All other models of Briggs & Stratton engines are available from Metco. Please call us for quotation and delivery.

"Original" Champion Spark Plugs

#CJ-8 "Shorty" Spark Plug

- B&S #298809
- 13/16" socket size
- For 2 to 8 HP engines **\$3.70 / Ea**

#J-8C Long

- B&S #298809
- Same as CJ-8 above but longer for easy access with socket wrench **\$3.70 / Ea**

#J19LM Spark Plug

- B&S #492167
- 13/16" socket size
- For 2 to 8 HP engines
- Similar length as J-8C
- Recommended as a hotter burning plug than CJ-8 and J-8C **\$3.70 / Ea**

For Universal Spark Plugs, see page 136.

Safety Gas Cans

Gas Cans with Funnel

SMALL ENGINES & PARTS

"Original" Briggs & Stratton Repair Parts

#270962 Service & Repair Instructions

\$10.60 / Ea

#222698 Flywheel Keys-10/box

\$7.90 / Box
\$73.50 / 10 Box

For Universal Flywheel Keys, See Page 135.

#294628 Ignition Kit-Breaker Assembly

- Same as #395012, boxed
- Order #65704 Breaker Point Plunge and #222698 Flywheel Key separately
- Use in repairing ignitions with old style points and condenser
- For all engines 2 to 8 HP

\$5.70 / Ea

#5020B Tune-Up Kit

- Replaces #395020
- Contains Points, Flywheel Key and Spark Plug

\$8.50 / Ea

#490179 Rewind Starter Spring

- For most rewind starter engines

\$2.90 / Ea

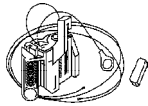

#390066 Rewind Starter Spring

- For 3 to 4 HP vertical pull starter engines

\$4.00 / Ea

#394970 Magnetron Ignition Kit

- To retrofit most two-legged ignition armatures w/breaker points and replace the old style points and condenser
- Fits all engines
- Same as #395025, boxed

\$9.95 / Ea

#298502 Ignition Armature-Breaker Points

- For 2-4 HP engines

\$26.40 / Ea

#298316 Ignition Armature-Breaker Points

- For 5 HP engines only

\$24.80 / Ea

#496914 Ignition Armature-Magnetron

- For 2 to 4 HP engines \$25.60 / Ea
- Replaces #398593

#397358 Ignition Armature-Magnetron

- For 5 HP engines \$30.60 / Ea

#65704S Breaker Point Plunger-10/box

\$13.45 / Box

#399671 Starter Clutch

- Replaces #394558 \$9.25 / Ea

#89966 Muffler, 1/2" Thread (long)

- For 2 & 3 HP horizontal shaft engines \$4.85 / Ea

#394569S Muffler, 1/2" Thread (short)

- For 3 to 4 HP vertical shaft engines \$5.10 / Ea

#494585 Muffler

- For all 5 HP engines \$9.55 / Ea

#66734 Starter Rope No. 4

- For 2 to 4 HP
- Precut to correct length \$1.65 / Ea

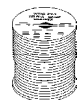

#692188 Starter Rope No. 5 1/2

- For over 4 HP
- Pre-cut to correct length \$2.65 / Ea

#390620 Starter Rope Spool

- 230 ft. spool
- #4 1/2, 3 to 4 HP \$41.30 / Spl

#393152 Rope Grip Only

- For engines under 4 HP \$1.60 / Ea

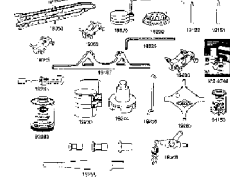

#490652 Rope Grip Only

- For engines 4 HP to 5 HP \$1.75 / Ea

Briggs & Stratton Tools

#19300 Special Tool Kit \$188.40 / Ea

#19393 Torque Wrench, 0-200 lbs.

\$76.80 / Ea

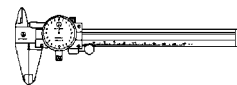

#19404 Telescoping Gauge, 2-3.5"

\$47.90 / Ea

#19199 Dial Caliper, 0-6" \$79.70 / Ea

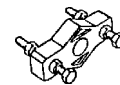

#19200 Tachometer

- For all engines \$23.70 / Ea

#19069 Flywheel Puller

- For 2-5 HP \$7.75 / Ea

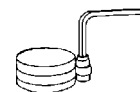

#19167 Flywheel Holder

- For 2-5 HP \$10.75 / Ea

#19070 Piston Ring Compressor

- For 2-5 HP \$9.75 / Ea

#19063 Valve Spring Compressor

- For all engines \$18.95 / Ea

#89838S Spark Plug Wrench

- For 13/16" and 3/4" hex head spark plugs

\$3.60 / Ea

Universal Lawnmower Parts

Engine Repair Kits

Tune-Up Kit

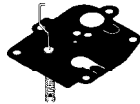

- Fits most 2-5 HP B&S engines without solid state ignition
- Kit includes contact points, condenser, spark plug, and flywheel key
- Replaces B&S #294628

#BR100 \$5.20 / Ea

Small Engine Carburetor Tune-Up Kit

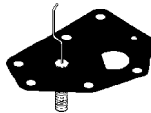

- Fits late model 3 HP B&S engines with automatic choke carburetors
- Includes complete diaphragm assembly
- Replaces B&S #299637

#CK101 \$3.10 / Kit

Small Engine Carburetor Tune-Up Kit

- Fits late model 3-1/2 and 4 HP B&S engines with automatic choke carburetors
- Includes complete diaphragm assembly
- Replaces B&S #391681

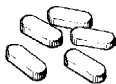

#CK100 \$3.05 / Kit

Engine Repair Parts

Flywheel Keys

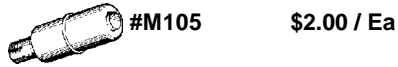

- Fits all Briggs & Stratton engines
- Includes 5 flywheel keys per box
- Replaces B&S #61760, #222698

#FK101 \$1.60 / Box of 3

Small Engine Muffler

- Fits 2 to 4 HP B&S Engines
- 1/2" exhaust pipe
- Baffled for quiet tone
- Replaces B&S #89966

#M105 \$2.00 / Ea

Small Engine Muffler

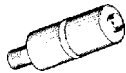

- Fits 2 to 4 HP B&S Engines
- 1/2" exhaust pipe
- Baffled for quiet tone
- Replaces B&S #298830

#M107 \$1.75 / Ea

Small Engine Muffler

- Fits 5 to 8 HP B&S engines
- Baffled for quiet tone
- Replaces B&S 294559

#M110 \$3.80 / Ea

Small Engine Muffler

- Fits 8 HP ad up, B&S, Kohler, Tecumseh and Wisconsin engines
- Fits 1" exhaust pipe

#M115 \$4.80 / Ea

Small Engine High Dome Gas Cap

- 1-1/2" diameter vented gas cap with gasket liner
- Fits B&S 3, 3-1/2 and 4 HP engines

#ST101 \$.95 / Ea

Small Engine Air Filter

- AF101 replaces B&S #27987
- Fits models 60,000 thru 130,000 series, 2-5 HP engines with horizontal shafts

#AF101 \$2.50 / Ea

Small Engine Air Filter

- AF102 replaces B&S #270579
- Fits models 92,500 thru 92,999 with automatic choke
- Fits 3 & 3-1/2 HP engines

#AF102 \$2.55 / Ea

Small Engine Air Filter

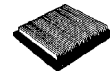

- AF103 replaces B&S #270251
- Fits models 60,500 thru 92,999 with manual choke, 2-1/2 - 3 HP engines

#AF103 \$2.65 / Ea

Small Engine Air Filter

- 3-1/2 - 4 HP Quantum engines
- Replaces B & S #399877

#AF114 \$4.20 / Ea

Air Filter

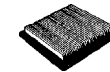

- Fits B&S 3-1/2 thru 4 HP Max Series engines; models 90700, 110700, 111700
- Provides maximum engine protection
- Replaces #397795

#AF115 \$4.75 / Ea

Air Filter

- Paper element
- Fits 5 HP Quantum II engines

#AF214 \$3.90 / Ea

Small Engine Starter Handle & Rope

- Starter handle comes complete with 88" nylon starter rope

#HC145 \$1.95 / Ea

SMALL ENGINES & PARTS

Engine Repair Tools

Small Engine Spark Plug Wrench

- Fits 3/4" hex shorty plugs and 13/16" hex standard plugs

#SPW100 \$2.10 / Ea

Spark Plugs

#SP102 Shorty Spark Plug

- Equal to Champion #CJ-8
- 13/16" socket size
- For 2 to 8 HP engines

\$2.65 / Ea

#SP100 Long Spark Plug

- Equal to Champion #J8, J17LM
- Same as SP102 above but longer for easy access with socket wrench

\$2.65 / Ea

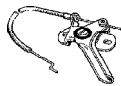

#SP103 Chain Saw Spark Plug

\$2.70 / Ea

Universal Throttle Controls

Universal Lever-Type Throttle Control

- Fits lawnmowers, garden tractors, pumps, etc.
- All heavy gauge lever and bracket
- 55" cable length

#SL200 \$4.50 / Ea

Universal Slide-Type Throttle Control

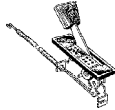

- Slide type control, with "start, fast, slow and stop" positions
- Control mounts between or on handle-bar
- Assembly fits most late model lawnmowers
- 47" length cable

#SL210 \$3.60 / Ea

Throttle Control

- 71" cable length fits new style mowers
- Fits mowers with longer handles and front engine mounted controls
- All heavy metal lever and mounting bracket
- Mounts between or on side of handle

#SL21571 \$5.35 / Ea

Lawnmower Blades & Bags

Universal Rotary Lawnmower Blade Kits

- High air-lift design for complete bagging
- High carbon steel; precision balanced
- Austempered heat treated for long life
- All blades have 1" center holes with sizing washers included to fit most rotary mowers

#AC20S, Fits 20" Models \$7.50 / Ea

#AC21S, Fits 21" Models \$7.50 / Ea

#AC22S, Fits 22" Models \$7.50 / Ea

Universal Mulching Blade Kits

- For side discharge mowers
- Consist of mulching blade, mulching door, mulching door strap, 3/8" reducer washer, 5/8" reducer washer, cover washer
- Blade center hole: 13/16"

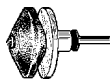

#MUL222, 22" \$17.05 / Kit

Fits most 22" mowers

Lawnmower Blade Sharpener

- Sharpens all rotary lawnmower blades and has many other uses
- Fits all 1/4" and 3/8" drills

#MS100 \$2.90 / Ea

Lawnmower Blade Balancer

- Balances blades fast and easy
- Lengthens the life of the lawnmower and insures smoother operation

#MB100 \$3.10 / Ea

Lawnmower Wheels

Steel Wheels

#SB6150 \$5.55 / Ea

6" x 1.50" tire size, with 1/2" ball bearing

#SB7150 \$5.90 / Ea

7" x 1.50" tire size, with 1/2" ball bearing

#SB8175 \$7.30 / Ea

8" x 1.75" tire size, with 1/2" ball bearing

#SBR10175 \$10.40 / Ea

10" x 1.75" tire size, with 1/2" ball bearing

Plastic Wheels

- These plastic wheels have 1-1/2" offset hubs and 1/2" bores

#P6150 \$2.80 / Ea

6 x 1.50 tire size

#P7150 \$3.30 / Ea

7 x 1.50 tire size

#P8175 \$4.80 / Ea

8 x 1.75 tire size

Lawnmower Wheel Bolts

- Adjustable length, one size fits all wheels with 1/2" axles
- Comes complete with hex nuts
- 2 per box

#ASB99 \$2.35 / Box
