

General Purpose Lubricants

WD-40 Lubricant

- Frees rusted and sticky parts
- Gets under water, dries it off and keeps it off
- Non-conductor
- Dry out electrical and electronic parts
- Lubricates squeaks in hard-to-get-at mechanisms
- Silicone-free; no messy residue
- Lubricates and invisibly shields against moisture and corrosive elements
- Removes tar, grease and adhesives

Gallon **\$25.40 / Ea**
 16 oz Spray **\$7.45 / Ea**
 11 oz Spray **\$6.90 / Ea**
 8 oz Spray **\$5.45 / Ea**
 Spray applicator **\$3.75 / Ea**

CRC Lubricant

- All purpose lubricant offers superior penetrating power that breaks through rust and corrosion while removing scale and dirt
- Stops squeaks and frees rusted parts
- Protects metals from rust and corrosion
- Contains no chlorinated solvents
- Biodegradable
- Displaces water

Gallon **\$34.65 / Ea**
 9 oz Spray **\$4.75 / Ea**
 Applicator **\$5.70 / Ea**

Super Oil

- Solderseal #L10-04 lubricates and protects all metal parts against wear, rust, corrosion, tarnish
- Loosens bolts, nuts and other rusted parts
- 4 oz can w/spout and twist cap

\$2.40 / Ea

#L212 Liquid Wrench Super Lubricant

- Lubricates
- Protects surface from wear
- Inhibits rust and corrosion
- Displaces moisture
- 11 oz. spray

\$3.85 / Ea

Liquid Wrench Penetrating Oil

- A powerful blend of quick-acting, fast-penetrating solvents that loosens rusted nuts, bolts and parts in seconds
- Frees parts frozen by rust, corrosion, scale, paint, varnish, carbon or gum
- Guaranteed safe on all metals

#L1-34, Gallon **\$35.20 / Ea**
 #L1-16, 16 oz Squirt **\$6.80 / Ea**
 #L1-12, 12 oz Spray **\$4.85 / Ea**
 #L1-06, 6 oz Spray **\$4.40 / Ea**
 #L1-04, 4 oz Squirt **\$2.90 / Ea**

#M9-14 Silicone Lubricant Spray

- Environmentally responsible formula contains no ozone depleters or chlorinated solvents
- Stops squeaking and sticking, prevents rust and corrosion, lubricates doors, windows, locks, and drawers
- Useful in many other home, shop, industrial, marine, sport and automotive applications

\$3.75 / Ea

#L5-08 Teflon Lube Spray

- Tiny Teflon particles acting as "ball bearings" significantly reduce friction and wear
- Forms a barrier to repel dust, dirt, sand, salt, ice and other abrasive materials
- 8 oz. Net Wt.

\$6.25 / Ea

#L7-16 Chain and Open Gear Lubricant Spray

- Contains molybdenum disulfide
- Withstands high temperatures and adheres to surfaces under high RPM's
- Sprays on and penetrates like an oil, sets up like a grease

\$4.25 / Ea

Automotive Oils & Greases

Wolf's Head Super Duty Motor Oil

- For gasoline engines, light duty diesel engines
- Formulated with oil soluble friction modifiers that reduce internal friction in engines
- All quarts are packaged 12 per case

SAE 10W-40 (SG/CD) **\$46.20 / Case**
\$4.20 / Qt

SAE 10W-30 (SG/CD) **\$42.35 / Case**
\$3.85 / Qt

SAE 5W-30 (SG/CC) **\$42.90 / Case**
\$3.90 / Qt

SAE 5W-20 (SG/CC) **\$42.90 / Case**
\$3.90 / Qt

SAE 20W-50 (SG/CD) **\$50.60 / Case**
\$4.60 / Qt

Wolf's Head Heavy-Duty Motor Oil

- Protects against deposit build-up under low temperature stop-and-go conditions and minimizes varnish build-up
- Exceeds many car manufacturers' warranty requirements

SAE 30W (SG/CD) **\$46.75 / Case**
\$4.25 / Qt

Kendall Non-Detergent Motor Oil

- Superior, high quality non-detergent oil for API Service SB
- Fortified to resist oxidation, wear and foaming
- Recommended for all applications requiring non-detergent type oil

SAE 10W (SB) **\$7.10 / Qt**

SAE 20W-20 (SB) **\$7.10 / Qt**

SAE 30 (SB) **\$7.10 / Qt**

LUBRICANTS

Kendall Diesel Motor Oil

- For heavy duty diesel and gasoline engines
- All grades meet API service CE
- Approved under Cummins NTC-400 and Mack EO-K/2
- Meets requirements MIL-L-46152D and MIL-L-2104E

Super D III
SAE 15W-40 (CE/CD-II/SG) **\$26.10 / Gal**
\$6.40 / Qt

Super D III
SAE 30 (CE/CD-III/SG) **\$23.75 / Gal**
\$5.75 / Qt

Wolf's Head Dexron/Mercon III Automatic Transmission Fluid

- Multipurpose power transmission fluid recommended for passenger car and truck automatic transmissions which use Dexron II and Mercon fluids
- Meets requirements of Ford M2C-138CJ and M2C-166H (Type H)
- Dyed red

\$46.75 / Case
\$4.25 / Qt

Kendall Type F Automatic Transmission Fluid

- For use in Ford cars and trucks
- Nonfriction modified automatic transmission fluid approved for Ford transmissions
- Compatible with other fluids meeting Ford spec M2C-33F
- Dyed red

\$60.50 / Case
\$5.50 / Qt

Universal Gear Lube SAE 85W-140 GL-5

- Recommended for differentials and manual transmissions in passenger cars, trucks, vans, buses, and off-road equipment
- Recommended for equipment operating over a broad temperature range under a variety of load conditions
- High Viscosity Index (VI)
- Exceptionally low pour point
- Meets and exceeds the requirements for API GL-5, MIL-L-2105D

16 Gal (120 lb) **\$384.00 / Ea**
5 Gal (35 lb) **\$117.85 / Ea**
Gal **\$40.35 / Ea**
Qt **\$11.45 / Ea**

NS-MP Hypoid Gear Oil SAE 80W-90 GL-5

- Multi-purpose EP gear oil recommended for hypoid, spiral bevel and worm gear axles and limited-slip differentials
- Recommended for manual transmissions which require an extreme pressure GL-5 gear oil
- Meets requirements of MIL-L-2105D

16 Gal (120 lb) **\$384.00 / Ea**
5 gal (35 lb) **\$117.85 / Ea**
Gal **\$38.85 / Ea**
Qt **\$10.95 / Ea**

Kendall GT-1 2 Cycle Lubricant

- Designed specifically for high performance air cooled and water cooled 2-cycle engines
- An ashless, high dispersant lubricant fortified to minimize scuffing and scoring
- Prediluted to facilitate mixing with gasoline at low temperatures
- NMMA/BIA certified for service TC-W3tm and TC-W11tm at the manufacturers' recommended mixing ratio
- Recommended for snowmobiles, motorcycles and outboards, both premix and oil injected, operated under severe conditions

\$8.20 / Qt
\$4.40 / Pt

Conoco Super-Sta #2 Chassis Grease

- Multi-purpose grease compounded with lithium tackiness agent and extreme pressure additives
- Recommended for automotive, bus and truck equipment; also farm, construction and industrial equipment
- Slowly "bleeds" oil to ensure complete lubrication
- NLGI #2 consistency

16 Gal (120 lb) **\$508.80 / Ea**
5 Gal (35 lb) **\$191.10 / Ea**
14 oz Cartridge **\$5.40 / Ea**

#L-427 EP Lithium Super Blu-Grease

- An NLGI #2 lithium complex EP grease with excellent lubricating characteristics
- Formulated from a multi-viscosity base oil for operation from -40°F to at least 350°F in continuous service
- Also formulated with a tackiness additive for truck 5th wheel application with excellent rust and corrosion protection
- Recommended for use in heavy duty lubrication, all wheel bearings, universal joints, general ball and roller bearings & throw-out bearings
- Can also be used as distributor cam grease and centralized lube systems

16 Gal (120 lb) **\$598.95 / Ea**
5 Gal (35 lb) **\$220.15 / Ea**
1 lb **\$7.35 / Ea**
14 oz Cartridge **\$7.25 / Ea**

White Lithium Grease

- Finest quality lithium grease for multi-purpose applications
- Long lasting, all weather, water-resistant, high film strength lubricant
- Melt point +360°F., pour point +10°F
- NLGI #2 consistency grease
- Excellent for shop maintenance and field maintenance whenever a multi-purpose all weather lubricant is required
- Ideal for gears, latches, cables, bearings, rollers, assembly of parts, chains on fork lift trucks, and tracks

1 lb Tub **\$5.85 / Ea**
14 oz. Ctg. **\$5.65 / Ea**
8 oz Tube **\$4.30 / Ea**
Spray **\$4.50 / Ea**

Specialty Oils

Machine Oil

- Solvent-refined, high-quality rust and oxidation inhibited oil for air compressors, gear boxes, hydraulic systems, electric motors, and centrifugal, turbine, and deep well pumps
- Formulated to have excellent oxidation stability, antirust and antifoam characteristics
- Good antiwear properties

30 Wt.-Heavy Machine Oil **\$23.70 / Gal**
Dectol R&O 10 **\$9.95 / Qt**

20 Wt.-Medium Machine Oil **\$23.70 / Gal**
Dectol R&O 68 **\$9.95 / Qt**

10 Wt.-Light Machine Oil **\$23.70 / Gal**
Dectol R&O 46 **\$9.95 / Qt**

Hydraulic Oil

- Formulated for use in high-pressure, high-output systems as well as machine tools, hydraulic jacks, and robotics having stringent filterability requirements
- Carries Cincinnati Milacron approvals P-68 service
- Meets Vickers, Denison HF-0 and FMC requirements for consumer use

\$20.40 / Gal

Quenching Oil

- Low-viscosity inhibited oils used in steel part quenching for metal tempering
- Quench time for quench oil 22, 17-19 seconds

\$19.40 / Gal

Way Lube-68

- Extreme pressure lubricant with oiliness additives to prevent stick slip on machine tool ways
- Contains tackiness additives to impede runoff
- Approved by Cincinnati Milacron under spec. P-47

\$25.60 / Gal

Spindle Oil

- Germ processed, light bodied, highly stable oil from solvent refined base stocks that have been thoroughly dewaxed to give good fluidity at low temperatures
- Designed primarily for textile applications, but is used extensively in other industrial applications and is popular as a top cylinder and valve lubricant on high speed natural gas and LP-gas engines **\$34.50 / Gal**

Air Tool Oil

- Absorbs moisture to prevent rust and corrosion
- Regular use prolongs tool life and improves performance
- Lubricate the internal parts of air driven tools

\$6.75 / Qt

Lock Ease Graphited Lock Fluid

- Seals out moisture, protects against lock freeze-ups
- Prevents sticking and corrosion
- Leaves a long-wearing protective graphited film on locks and other mechanisms

	3.4 ounce	\$4.25 / Ea
	3 ounce aerosol with snorkel	\$4.95 / Ea

Dry Powder Graphite

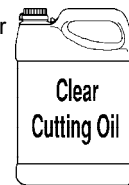

- Extra-fine dry lubrication for all parts

	1 ounce	\$1.90 / Ea
--	---------	--------------------

Cutting Oils

Clear Cutting Oil

- Nonstaining cutting oil for moderate metal cutting operation where viewing work piece during machining is desirable
- Suitable for machining brass, copper, aluminum and light machining of iron and mild steel **\$34.50 / Gal**

\$6.75 / Qt

Sulphur Base Dark Cutting Oil

- All-purpose premium compounded EP cutting oil for use on both ferrous and nonferrous metals
- Increased film strength enhances tool protection and surface finish
- Contains sulfur and chlorine; slight staining may occur on copper or copper-based alloys
- Excellent for cutting ferrous metals over a wide range of machining severity

\$29.50 / Gal
\$10.50 / Qt

Water Soluble Cutting Oil

- Blend of mineral oils and emulsifying agents
- Suitable for wide variety of cutting and grinding operations
- A program to prevent growth of odor-causing bacteria should be carefully followed
- Mixes with water as high as 100-to-1 ratio
- Always add the oil to water, never add the water into the oil

\$39.95 / Gal
\$11.20 / Qt

Tap Magic EP-Xtra Cutting Fluid

- Made for cutting of all metals
- Apply it at the moment your tool comes in contact with the work
- Use it for all machining operations
- You'll get a precise, ultrafine microfinish on every metal and alloy
- Evaporates to cool metal work and tool
- Ozone friendly formula

Gal	\$64.25 / Ea
16 oz	\$10.75 / Ea
4 oz	\$3.40 / Ea
Spray	\$11.75 / Ea

LUBRICANTS

Lubrimatic

General Purpose Grease Gun

- Ideal for household and do-it-yourself automotive uses
- Delivers 1 oz. of grease/40 strokes
- Develops up to 6,000 psi
- Uses standard 14 oz. cartridges

#30-200 \$13.40 / Ea

Industrial Grease Gun

- Variable/short stroke for easy use in confined areas
- Rugged fully zinc-plated finish
- Dual port head cap with bulk loader fitting for 3-way loading (14 oz cartridge, bulk or suction) and air bleeder valve
- Includes 5-3/8" pipe and coupler
- Develops up to 10,000 psi

#30-465 \$23.35 / Ea

The Ultimate Grease Gun

- Equipped with 10" grease pipe, HD coupler, longer lever, barrel and lever comfort grips, air bleeder valve, bulk loader fitting, variable stroke and 3-way loading (14 oz cartridge, bulk or suction)
- Develops up to 10,000 psi
- Built to take extreme punishment

#30-480 \$42.70 / Ea

Grease Fittings Assortment

- Includes eight 1/4"-28 fittings: four straight, two 45° and two 90°

#11-955 \$4.20 / Set

Midget Grease Gun Kit

- Includes push lock plunger, die cast T-handle that locks in place for loading, 5-1/2" straight grease pipe standard-duty coupler and 3-oz cartridge of multi-purpose #2 lithium grease
- Small, versatile gun allows for front or top pipe placement
- Develops up to 4,500 psi

#30-192 \$18.40 / Kit

Multi-Purpose Lithium Grease

- Recommended for chassis, universal joints and other general-purpose applications around the home, farm or shop
- Works best for lubricating rolling parts

#11300, 4-pack of 3-oz refills \$9.95/Pkg

Flexible Grease Hoses

- Rubber with wire braids
- SAE 100 R17 at 3,000 psi working pressure, 12,000-lb. burst
- 1/8" pipe thread on both ends

#10-220 12" length \$6.25 / Ea

#10-219 18" length \$8.50 / Ea

Replacement Coupler Tip

- Fits all 1/8" NPT threads
- Recommended working pressure is 3,000 psi
- For hand operated lube equipment only

#05-031 \$3.15 / Ea

Pistol Grip Oilers

- Drawn steel bodies
- Rugged epoxy finish resists rust
- Rigid spouts have .15" diameter ledge-cone machined tips to lift oil filler dust caps and are non-detachable
- All flex spouts are zinc plated and detachable with a base thread of 1/4"-28

#50-509 \$8.35 / Ea
6 oz. rigid spout pistol oiler

Funnels

Super Funnel

- All-purpose utility funnel
- Extra long neck to reach out of the way spots
- 2 quart capacity, 18" overall length, 5" diameter, 1/2"OD tip

#3625 \$3.20 / Ea

Utility Funnel with Screen

- All-purpose fluid dispenser
- Galvanized steel
- Includes screen and 12" flexible extension with tapered tip
- 1 quart capacity, 5-3/4" funnel diameter, 17-1/2" overall length

#75-007 \$8.35 / Ea

Multi-Purpose Plastic Funnels

#3508, 1/2 Pint, 4" \$1.45 / Ea

#3516, Pint, 6" \$1.60 / Ea

#3564, 2-Quart, 8" \$2.45 / Ea
